PROFESSIONAL SUMMARY

Computer Science and Engineering student with hands-on experience in web development and programming using HTML, CSS, JavaScript, Python, and MySQL. Skilled in building responsive web interfaces and CRUD-based academic management systems through practical projects. Passionate about technology and currently learning full-stack web development. Seeking an internship opportunity to strengthen technical skills, gain industry experience, and contribute to real-world projects.

TECHNICAL SKILLS

Programming Languages: Python, JavaScript

Web Technologies: HTML5, CSS3

Database: MySQL

Tools & Platforms: VS Code, GitHub, Vercel

Currently Learning: Full Stack Web Development

PROJECTS

Student Management System | Python, MySQL

- Developed a student management system to maintain and organize student records efficiently.
- Implemented CRUD operations for adding, updating, viewing, and deleting student information.
- Integrated MySQL database for structured data storage and record management.

Portfolio Website | HTML, CSS, JavaScript

- Developed a responsive personal portfolio website to showcase profile, technical skills, and projects.
- Designed user-friendly layouts optimized for desktop and mobile devices.
- Deployed the website using Vercel for online accessibility.

Gym Management System | Python, MySQL

- Built a gym management system to manage member registration and attendance records.
- Organized and maintained member data using MySQL database integration.
- Improved record tracking and simplified data management.

College Landing Page | HTML, CSS

- Designed and developed a responsive multi-page college website with a clean user interface.
- Implemented responsive layouts to improve accessibility across different screen sizes.
- Focused on usability and structured webpage design.

EDUCATION

Bachelor of Engineering (B.E.) – Computer Science and Engineering
JCT College of Engineering and Technology, Coimbatore
CGPA: 8.25 | Currently in 3rd Year

Higher Secondary Education
Sowma Public School Senior Secondary, Manapparai.
Percentage: 74%

ACHIEVEMENTS

- Winner – Web Development Contest conducted by our college
- Participant – Coimbatore Zone 10 Athletic Championship (20 km Walkathon)

SOFT SKILLS

- Problem Solving
- Teamwork
- Quick Learning
- Time Management
- Adaptability

LANGUAGES

- Tamil
- English
